To Schedule a Talk

Call Ask a Master Gardener:
254-757-5180 at the AgriLIFE Extension office.

Or call our project coordinator:

Nelda Cooper **254-822-1629**

Or email: coopernelda53@yahoo.com

Some presentations are given with computer, projector and screen; some are demonstrations and some use other formats. Speakers generally bring what they need. Most talks are 20 to 40 minutes.

There is no charge for presentations, but donations are accepted in the form of honorariums which are used to support community projects of the McLennan County Master Gardener Association.

Some of our community projects:

- Annual Plant Sale
- Cameron Park Zoo Planet/Earth Day
- Children’s Garden Fair
- County Extension shade garden
- Demonstration garden in McGregor
- Downtown Waco Farmers Market
- Gardens at Carleen Bright Arboretum
- Gardens at Cedar Ridge and Woodway Elementary Schools
- Habitat for Humanity
- University High Jr. Master Gardeners

Trained and certified

Master Gardeners are volunteers who have been trained to educate the public about good horticultural practices based on scientific studies. To be certified, volunteers must earn educational hours and provide required hours of volunteer service each year.

Presentations by the Speakers Bureau are available to a wide variety of audiences including garden clubs, civic and service groups, study clubs, school and neighborhood associations, nursing homes.

Printed April 2014
